Note A smart object represents a collection of layers, usually stored on a single layer. A smart object adjustment layer is a layer that is applied to a smart object. In a given Adobe Photoshop file, each layer is assigned a name. The layer names are usually in text form, but you can change this by choosing Edit>Preferences>Layers and clicking the Automatically Generate Layer Names button. To select the background layer, click it in the Layers panel and press the Tab key. To select another layer, click it in the Layers panel and press Enter. In the following steps, you use the Back button to select all of the layers you want to work on. To create or delete layers, press Ctrl+Alt+Z or click the Create a new layer icon at the bottom of the Layers panel. To select multiple layers and work on them at once, hold down Ctrl while you select them, or click the layers in the Layers panel and press the Shift key.

Speaker Nancy Pelosi said in a video message Sunday night that she and other Democratic leaders would be “delighted” to see President Trump impeached and would be happy to make it easier for members of the GOP to vote in favor of removing him from office. “I want to take this opportunity to extend my deepest sympathies to everyone who has lost loved ones to this pandemic and to the health care workers on the front lines who are caring for us,” she said in a video message posted on Twitter. “We have a moral and Constitutional obligation to move forward to ensure that the physical and emotional health of our families is secured.” “The House of Representatives will continue to work diligently to advance the House’s duly authorized investigations and oversight capabilities to uphold all of the President’s powers, uphold our Constitution and defend the Constitution of the United States,” she said. She also thanked members of Congress who have been in self-quarantine after coming into contact with the infected patient in the Capitol. “It’s very helpful,” she said. “Thank you for doing that.” The Speaker said that she and the president’s public affairs team had been discussing the idea of having “Faith and Freedom” day instead of “In God We Trust” day. “I am so touched by the prayerful wishes of those who showed up in churches across America this morning and who will be doing so this weekend,” she said. “The president is particularly grateful for their prayers.” “Thank you all for showing up to celebrate the National Day of Prayer,” she said, thanking faith leaders for their service to their community. “Thank you all for all of your kind messages of support.” “And thank you for all of the kind words of support and encouragement for those who are working with us in the Congress to help you,” she continued. “We will continue to do that.” She closed with “God Bless America,” the Pledge of Allegiance and the National Anthem. “I’m really nervous to do this show, but I’m also really excited for it,” Marc Maron said in an interview for Michael Aushenker’s upcoming documentary, “The Mind of Marc Maron.
