## Panda Crack Torrent (Activation Code) Free Download

Panda is a small, elegant, and very playful Windows 7 theme. It focuses on a bright color scheme with bright colors in the various dialogues that show the time, battery status, the weather, etc. It is the result of a collaboration between Jet Jon & Eddy Borges, the new cub was born. The theme is free for personal use and is distributed as a small executable. Panda Freeware

**Features:** Panda features a very easy and fast installation. In a couple of minutes, Panda will be up and running. The setup supports all languages. Panda is a no-compromise theme that offers an impressive design and great functionality. The theme has a very simple, but cool interface, with the main focus on large and colorful dialogues. The interface uses our own design ideas to make sure the theme is unique. The theme is very easy to use and configure. To date Panda has 22 screen colors, and 21 background and foreground colors. Panda also has a unique custom Quick Launch menu, and a separate virtual desktop. The theme is free to download and use.

**Panda Free Installation:** 1.Download Panda Free from the link below 2.Extract Panda 3.Extract Panda.exe 4.Go to Program Files 5.Double click Panda.exe and enjoy
