using Guidance Software's EnCase software. AFF is Advanced Forensics For- mat, an open source forensic container format that provides many ..... with Guidance Software's EnCase software. AFF is Advanced Forensics For- mat, an open-source forensic container format that provides many features to help investigators. In this tutorial we will create our first AFF file for video and photo searches. AFF or Advanced Forensics Files is a container format and file storage format that is used to transfer forensic data.
