Bella Swan (Stewart) doesn't expect much when she moves to the small town of Forks, Washington, until she... meets vampire Edward Cullen. But how can she deal with the fact that he is an alpha who feeds on people, that is, on her? And what happens when Edward finds out that Bella is the daughter of his worst enemy? After her mother's death, Bella Swan moves to Forks with her father, Sheriff Bill. During one of his dates, her father meets a beautiful girl named Alice. Later, Alice reveals to Bill and Bella that she is a supernatural being, a vampire, and that she is several hundred years old.
