The Other trainers are available in the trackers (talk to [A]trainer).. This is the PS2 version of Resident Evil 2 Ultimate HD Edition. The first trainer is. 20:00 Video Games; I've been playing Resident Evil for years now but I'm a fan of the horror aspects of the game and how it makes you scared throughout. When I started playing it, I heard it was a kinda tough game but I don't remember to be like do I have no chance of surviving or something, but once I started playing it, I got hooked and I'm currently playing it on Survivor Mode. The walkers are not invincible like they were in Resident Evil 1 though which helped the game to be a lot less frustrating. The opening may be a bit slow but once the game progresses, it gets more intense. with the addition of the new zombies, the game's atmosphere also improved. Overall, I think that Resident Evil 2 should still be worthy for you to play. Here are some of my current favorite tips and tricks to f30f4ceada
