**HONK: THE JOURNAL \$6.00 PROGRESS BAND** Reviewed by Andy Magoffin Ed Carnell, stepson of bandleader David Hallyday, plays with the same fey mastery he showed on Hallyday's 1984 album *Le Voyou* (released in America as *A Friend of the Devil*). The album remains one of the best Hallyday's releases, and also one of the most entertaining European rock albums of the late '80s. Even when Carnell's playing came across as rough and ready at the end of the '80s, he was one of France's most accomplished guitarists. Although he's in many ways a logical successor to Pierre Perret as Hallyday's guitarist, Carnell doesn't have Perret's sensitivity. Instead, his "The One" (referencing the more than century-old Dorian Gray painting) is more perverse, and his message of submission to the dark forces is quite Satanic in essence. Carnell's favorite colors are black and red, and his songs are filled with Satanic imagery and assaults on existence. Always fierce in attack, Carnell's guitars, often vaguely Funk, are often brutal and blast away at the listener in a way that is sometimes frightening. It's not uncommon for Carnell to destroy his amps, however, with his guitar-playing. Even on the gentler "La Souffrance" he will push forward on the strings in a way that sounds like a root canal, and that intensity even shows up in Carnell's vocals. While the album has a few gentle songs, Carnell's is a brutal guitar attack on existence.

Protesters on the Gaza border on Thursday threw stones and burned tires at Israeli troops, as rioters clashed with police near the occupied West Bank city of Nablus, and Israeli helicopter fire continued overnight into Thursday to strike Hamas targets. The border protests were organized by Palestinians against the US recognition of Jerusalem as Israel's capital, which has triggered widespread anger among Palestinians. Palestinians have reacted with fury to US President Donald Trump's announcement on Wednesday that Washington was recognizing Jerusalem as Israel's capital, which has infuriated and panicked Muslim leaders worldwide. Trump has since reversed his stance, and said he will open the way for talks on a
