Note that this method will likely be blocked by my provider, but it is the quickest and easiest method. Once you signup, they send you an email to verify your email and will then give you access to all their servers. This method only works with the PS3-300 model. This method does NOT work on the PCC-3000. This forum is not endorsed by or affiliated with Sony Playstation 3, rar. i go to a child to download a raw file in the ps3, and it says error, Not a valid file. I want to get into my PS3 and download a raw file on it. I am trying to download something that says ".dat" The error message comes up when I click OK on the error message. To be safe, use a raw downloader instead of a.dat file. Most raw downloaders available in Google Drive are. As an added benefit, manual PS3 hacks are a great starting point for learning homebrew, which can then lead to system or xmbemhacks, which can then lead to system or xmbemhacks. . Drag and Drop Files Using a USB stick, Blu-Ray disk, or CD-ROM you can easily drag and drop files into the Game Hard Drive. It doesn't matter if the USB drive, Blu-Ray, or CD-ROM is FAT32, NTFS, or exFAT formatted. I've used: Mini USB Drive (1gb), USB Key (500gb, 8gb) and a CD-ROM. Download and extract the rar file, then use a file manager to navigate to the "drives" folder where the game is located. Tagged. Added in edit: for the lu ver people, the
