- 2. Add game For the Train Simulator 2017 - RhB add-on (Modified Trainz 7 primary add-on) the game contains the following 5 files:

5.3 GB Hello people I make an experience for the Train Simulator 2016 with The RhB. The video below shows a beginning of my riding-trip all over Switzerland. It looks as if it's ok for the beginners. About the ride, some parts will be put under public domain reusing original colors. The train is modelled like a true Swiss/German 3-Topper. To make fenders on the outside I use a model I made with 3D FormZ. Another major part is the way it's painted with a Knopfsterne. The game consists out of 5 parts as the title stated. They go from the Trainbahn-Bahn and down into the Rhine Valley. The gameplay is equal to the original Train simulator

Finn's Hollow, an idyllic frontier town peopled by a community of misfit pilgrims is the place Rachel Foster wished her own family would have raised her. After suffering a devastating miscarriage, Rachel quietly followed her husband out west from the east coast. Finn's Hollow turned out to be a quiet, protective haven where she hoped the grief of her loss and her lingering memories of her biological family could at last fade away. But when Finn dies unexpectedly in a freak car accident, Rachel is left alone and suddenly haunted by her husband's memories. She knows that Finn's ghost is still looking for answers, and she also knows that he blames her for his death. Soon after, Rachel begins to feel increasingly vulnerable to the malevolent energies radiating from the nearby old stone mill, and she plunges into a mystery that eventually turns her into a ghost herself. Reviews "The Suicide of Rachel Foster is certainly up there with the best in its genre" 85 - Cultured Vultures "manages to treat extremely delicate issues with extraordinary tact" 85 - The Games Machine "The Suicide of the Rachel Foster is a masterpiece in atmospheric storytelling" 90 - The Digital Fix About This Game: Finn's Hollow, an idyllic frontier town peopled by a community of misfit pilgrims is the place Rachel Foster wished her own family would have raised her. “ We connected some long-distance pipes that were tossed over the hill. The upstairs pipes went to the kitchen, and the downstairs pipes went to the basement, where we just kept going down. ”

“ We may have built it when just any bunch of teenagers would get together and say, ‘Let’s build a new house from scratch.’ This was a non-recreational thing. This was entirely an intellectual and philosophical exercise. And it was the homecoming of Tom Williamson.”

“ It just took time to learn how to do it and take care of it and keep it. And then, after a while, you start wanting to renovate and repaint the house again — so it wasn’t a stagnant thing. ”
