Looks And Music Of The Pursuit Of Happiness For Her Or Him!Â .Hello my dear fellow Queer People!!!! I am so very grateful to the candidates for their candor in talking to the American public about who they are and what they are about. I am writing this to each of you today to share with you one of my greatest dreams of my life. My dear friend called me yesterday and said the following. 'I am often asked, what is my dream and my dream is to have a congress of world leaders who are gay or lesbian', to include the presidents and their husbands, civil rights pioneers and rock stars. Of course I was thrilled to hear it. I love Jack and Bobby Kennedy. Jackie has been my idol since I was a child. I hope my dream comes to life with the first gay president. I think that is lovely. I hope you do too. Sincerely, Darlene B. My dream has come true!!!!!!! I am sorry to say that it is not that pretty. First I had a dream and then I thought it was a good one. Now that the dream has become a reality, I must tell you of my disappointments. In my dream there was only one President from my beloved country I believe it was Canada. He has not written any books about his gayness or his wife's lesbianism and he did not retire his public service job just to speak up for gay people. None of the other candidates are doing what I thought they would. They are not there to support this person or that person. If they are not going to be with us, then they are not with us. Since there was no one in my dream with me, I stood up and raised my fist and said to the person who was inside of me. "I want him to win." I said to him. He said to me "So do I" and we started speaking. 'Yes' said he to me. 'Yes
