* Established brand featuring a fantasy fantasy setting * Winner of the Game of the Year award in Japan's 17th "Gamefest" contest * Effectively expressing the atmosphere of the old-school action role-playing game * An epic action game with sharp moves and a gorgeous world * Original graphics and a stylish atmospheric theme * Gameplay that enables you to seamlessly switch from real-time battles to turn-based battles with ease ABOUT WINDWARD STUDIO One of the pioneers of the NIS brand. Working together with the NIS team to establish the "Open Gate to the Chaos" slogan, we established quality RPG games such as "The Legend of Mana", "The World Ends with You", "Makai Paradise", "Dissidia Final Fantasy", and others. Read more about us at ABOUT DICE CORPORATION DICE was founded in 1997 and has since been developing and producing extremely successful and highly engaging gaming content. First, in 1998, it began to produce and distribute the super-realistic massively multiplayer online role-playing game (MMORPG) "Final Fantasy XI". Next, in 1999, it produced the spin-off, "Star Ocean: The Second Story". In the same year, it produced "Kingdom Hearts", the first "Soul Link" game, and the first anime-game. DICE has since produced and distributed such classics as "Ni No Kuni", "Ni no Kuni Wrath of the White Witch", "Assassin's Creed: Liberation" and "Ghost Recon: Wildlands". Jun 22, 2018 The United States and Russian forces clashed in Syria, with the focus of the fighting shifting toward the Latakia countryside. Saudi-backed militants found themselves marching on Hama airbase without making much progress. The Syrian army has slowly taken back control of strategic locations in western Syria from ISIS. In addition, Turkish forces fired on a Syrian mortar from the Syrian border town of Jarabulus, injuring a Turkish soldier. The situation is slowly heating up in the region, and the situation could easily escalate with no political resolution in sight. The 10-day ceasefire, which is set to expire on Thursday, has had very little success, with government forces

You're in a world where a great empire once reigned—a world of legend. There exists a power called the Tarnished Kingdom, the Elden Kingdom. In the middle of your vacation to the prince's palace in the Tarnished Kingdom, the Tarnished Empire invades the Elden Kingdom. A civil war has broken out and a terrible battle is about to begin. As a member of the powerful Elden Knights, your one and only task is to dispel the prophecy of the weapon Amelin, which was brought from the Elden Kingdom to the Tarnished Kingdom by accident. Relive the story of the great civil war in this magnificent action RPG. Structure of the game I. Tarnished Kingdom You'll visit the mayor's mansion, where you can talk to the mayor and the mayor's aide. To progress, press the triangle button. J. War In order to enter the war zone, you'll have to attack enemy soldiers with the cross-shaped button. Press the triangle button to successfully defeat a soldier. If you happen to run out of arrows, you can purchase arrows from the village store, or purchase the "arrows of mercy" from the farm. II. Elden Kingdom After arriving at the place where the mayor will appear, you can talk to the mayor about the problems of the Elden Kingdom. To progress, press the circle button. III. Story of the two kingdoms Both the Tarnished Kingdom and the Elden Kingdom have an older history behind them, before the civil war. The Tarnished Kingdom is a kingdom that defends itself from nomadic beasts using the power of Amelin. Amelin is a mysterious weapon, which until now, has not been made use of by the rest of the world. In order to make use of Amelin, the Tarnished Kingdom entered into a trade agreement with the Elden Kingdom. The Elden Kingdom is a kingdom that protects itself from the invasion of barbaric tribes using the power of the "Sovereign Sword". The Elden Kingdom has a peaceful history, but its society is facing danger. As a result of a mistake, they are forced to entrust the "Sovereign Sword" to the Tarnished Kingdom. The "Sovereign Sword"

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • **A Vast World Full of Excitement** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • **Create your Own Character** In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • **An Epic Drama Born from a Myth** A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • **Unique Online Play that Loosely Connects You to Others** In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. • **A World of Adventure, Drama, and Friendship** In addition to the conventional Elder Scrolls universe, the game contains a truly original story that spans across five newly crafted regions, as well as each region's own dungeons. The game's diverse regions include a land of high mountains, where the flow of time is reversed; a land of everlasting spring, where the Emperor Fell, a great evil from the Elder Scrolls universe, has invaded; a land of giants and dragons, where a hero's strength will be tested like never before; and a

System Requirements:

It's Super Smash Bros. for the Nintendo 64. That pretty much says it all. Getting this game in one has a couple of catches, namely you're going to need a Nintendo 64 and an N64 Expansion Pak. It is the best option for a decent gaming experience on the Nintendo 64. The Expansion Pak is needed because there are graphical problems. Like the cart, this game doesn't support 16MB RAM cards. Unlike the cart, this game uses 1MB (128K) RAM cards for graphics. Because of this, the quality of graphics can suffer
