“The new realism delivers the best FIFA game ever,” said Alejandro Fadel, Head of FIFA Studios. “FIFA 22 features the fastest, most immersive and accurate ball physics, and an incredible new cover system that features five different styles of ball-handling with five different stances. Playing on PlayStation 4 Pro, the new power is absolutely sensational, and now with the new Direct Kick Engine, we’re able to capture the high-intensity reactions and true-to-life animations of the world’s top athletes. We’ve also developed another layer of efficiency with the new Havok Contact Physics Engine, the DNA for which was created specifically for this title. The future of gameplay has arrived – brought to you by FIFA.” FIFA Ultimate Team by EA SPORTS and Spectator Mode FIFA Ultimate Team by EA SPORTS is completely revamped and features dynamic gameplay that will keep you entertained throughout the whole season. FIFA Ultimate Team now boasts over 100 new cards, including over 50 high-end Premium Players, 200 new Club T-Shirts, 18 new Player Shirts and over 80 new Goalkeeper Shirts. FIFA Ultimate Team introduces a new augmented-reality experience, where you can play the game as players in real-time, putting your players’ cards to the test in a variety of game modes, including Create-a-Club. FIFA Ultimate Team offers new ways to play, including Spectator Mode, allowing the game to be played remotely. Customise players’ cards with gear,

including boots, shirts and off the field items, and make them better by unlocking special gifts. Teammates' cards will influence each other's progression, meaning the experience is always unique and evolving. New packs will be available each week and will expand the game, providing even more content for fans to enjoy. FIFA Ultimate Team Seasoned Skipper, new seasons of FIFA Ultimate Team and FIFA Ultimate Team Draft FIFA Ultimate Team Seasoned Skipper, the ultimate edition of FIFA Ultimate Team, will make its arrival on PlayStation 4 this November 1, allowing players to collect the best players, teams and stadiums from around the world. The season will last all year long, with new contents hitting the game every week. Alongside that, the FIFA Ultimate Team Draft is a new feature which allows fans to create a virtual fantasy draft when choosing which player to collect and which to discard. This will be available on PlayStation

FIFA is a series of sports video games created by EA Canada and published by Electronic Arts. The series is developed for every major home computer game system from the 8-bit to the modern PC, console and handheld games systems. The gameplay of a typical FIFA game is characterised by deep and detailed management of player development and team tactics, as well as the player's physical attributes and performance, while maintaining elements from association football. The series also includes tournaments, championships, skill-based competitions, and training/coaching mode. The FIFA franchise is well known for its lively player commentary, regularly featured by world-renowned commentators such as Bob Dylan, Noel Gallagher, John Mowlem, John Gaunt, and Robbie Savage. The series has won numerous industry awards, including multiple Game of the Year awards and more than 23 honours in the Academy Sports + Outdoors National Sports Game of the Year Awards.
